Designations for 2015 Ozone NAAQS 2-pager on Admin decisions.docx

Due tomorrow to Anna Wood by 10 am (sorry, I don't make up the deadlines). Though not 100% clear, this is presumably a communication device that will be used by OAR to give the Administrator a sense of what the task is and what the decision milestones are. It is not intended to be comprehensive or endlessly nuanced. Please review. [REDACTED]

[REDACTED] From Denise/Carla I need the number of potential nonattainment areas.

Here's the only instruction we were given:

- [REDACTED] Develop a 2 pager on ozone designations
- Start pager with background and important decisions that Administrator may need to make within next couple of months
